Reasons for allowance

1. The following is an examiner's statement of reasons for allowance:
2. Claims 1, 2, 4-18, 20-22 are allowed in response to applicant's persuasive arguments.
3. The following is an examiner's statement of reasons for allowance: None of the prior art teach or suggest a method for processing storage data that is to be communicated over a network, comprising: providing storage data to be transmitted over a network; serializing the storage data that was provided using storage encapsulation protocol (SEP) headers to generate serialized storage data; encapsulating the serialized storage data that was serialized using the SEP with a simple transport protocol (STP) to generate simple transport protocol data segments of the storage data; determining whether each of the data segment is a control type data segment based on a type field value of a corresponding STP header, if the data segment is a control type data segment, then the method includes, setting a sequence number of a sequence number field of the corresponding STP header to a sequence number of a last sent stream data packet; and encapsulating each of the simple transport protocol data segments into Ethernet frames.

4. All dependent claims further limit the independent claim. Therefore, they are also allowed.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
